

Clinton Junior High School

Jean Wallace

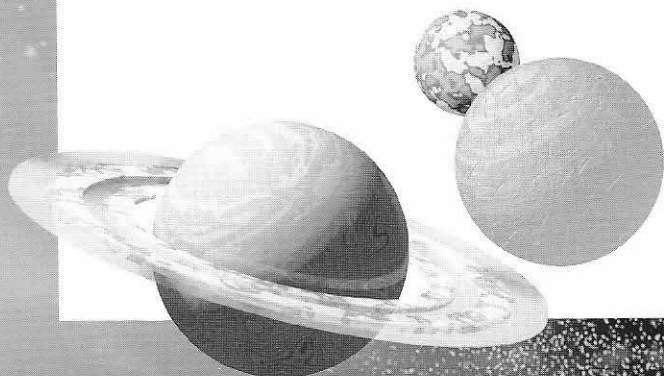

After 37 years of teaching, the last 30 years as the Junior High Librarian, Miss Wallace is retiring. Besides running the Junior High Library, Miss Wallace has also been the Photo Club Co-Sponsor, has run the Junior High Scholastic Bowl competitions, and has recruited, organized and trained concession stand workers.

Miss Wallace has seen the technology of teaching change during her career. What has been constant, she said, were the kids and their enthusiasm.

She plans to stay in the community and continue singing with the Normal Civic Chorale. She also hopes to go back to making quilts and to visit relatives.

The students and staff at CJHS would like to thank Miss Wallace for all her hard work and dedication to our school. We wish her the best of everything.

Darlene Wiggers

Mrs. Wiggers is retiring after 26 years in teaching. She has spent the last 25 years working in the Clinton School District. She taught at Webster School for six years and has been at the Junior High for the last 19 years.

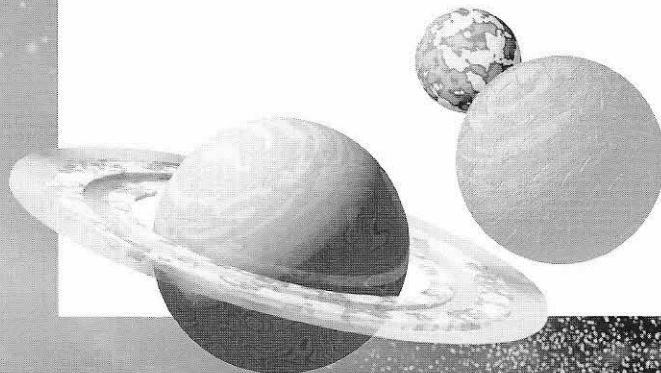

Besides teaching English and Social Studies, Mrs. Wiggers was also an Assistant Wrestling coach for two years and spent 12 years as the Pin Pal sponsor.

The best part of teaching for Mrs. Wiggers has been the chance to touch the lives of young people. As far as she is concerned, nothing beats the moment when the light finally comes on for a struggling student.

Mrs. Wiggers' future plans include gardening, artwork, travel and reading.

The students and staff of C.JHS would like to thank Mrs. Wiggers for all her hard work and dedication to our school.

We wish her the best of everything.
